1. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

The risks include, among other things: Jumping World trampolines entail certain risks that simply cannot be eliminated without jeopardizing the essential qualities of the activity. Trampolines expose its participants to the usual risk of cuts and bruises. Other more serious risks exist as well. Participants often fall off equipment, sprain or break wrists, ankles and legs, and can suffer more serious injuries as well. Traveling to and from trampoline locations raises the possibility of any manner of transportation accidents. Participants often fall on each other resulting in broken bones and other serious injuries. Double bouncing, more than one person per trampoline, can create a rebound effect causing serious injury. Flipping and running and bouncing off the walls is dangerous and can cause serious injury and must be done at the participants own risk. There is also a risk of colliding with or being landed on by jumpers of a different size. In any event, if you or your child is injured, you or your child may require medical assistance, at your own expense.

Furthermore, Jumping World employees have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participants abilities. They may give incomplete warnings or instructions, and the equipment being used might malfunction.

4. Should Jumping World or anyone acting on their behalf, be required to incur agreement, attorney's agree indemnify fees **and** hold them harmless for all such fees and costs.

5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.

6. In the event that I file a lawsuit against Jumping World, I agree to do so solely in the state of Texas, and I further agree that the substantive law of Texas shall apply in that action without regard to the conflict of law rules of that state.
